

Travis Carpenter-Candidate for the 2025 board

A lifelong serial entrepreneur and passionate sailor, I'm dedicated to enhancing how we connect with both current and prospective members. My mission is to craft engaging pathways that draw in new recreational enthusiasts, while fostering partnerships with community organizations and businesses that share our positive vision. Thank you!

Lisa Mulvey-Candidate for the 2025 board

My family moved here in 1971 and shortly after, we became members of Klamath Yacht Club. My father (and mother) were actively involved by becoming Rear Commodore's, Vice Commodore and Commodore (a few times)!

Myself and my husband, Mick have been very active in the club for many years. Mick presently, is the chase/rescue boat for Wednesdays and regattas. He's the shadow that you see on the water during race times. We have held the position of Rear Commodore (approximately) 6 times, Vice and also Commodore. I regularly sail on the Red Widow, a Santana 20 for 15 years, I am the owner and driver. Prior to that I crewed for friends on their boats loving it. Great experience and have figured out I LOVE SAILING!!

I love racing and leisure boating and I love this club. It is important to Mick and myself that the club continue to grow onward and upward and to make it fun again!
Thank You!

Ron Murphy- Candidate for the 2025 KYC Board

I retired from Pacific Power as Sub-Station Journeyman 20 years ago, after providing 33 years of service. I've been a member of the Klamath Falls Yacht Club (KYC) for approximately 6 years and I have not held a Board Position to date and I feel now is the time to step up and do my part. Note: I do not have a sailboat, however, enjoy the summer watching those that do and all the other members as well.

I applied for the position of Board Member this year because I would like to do my part in growing our membership and assist the KYC elected officials to ensure our success as an organization.

When I originally joined KYC, there was a sense of extended family, fun cooking meals as a group and a relaxing atmosphere. Over the past couple of years, things seemed to have turned away from what drew me to join KYC. However, I believe the KYC is turning back around towards the positive and I want to be part of the process to ensure KYC is successful and a welcoming place for the community to join with a positive experience.
Thank You!

Stephan King-Candidate for 2025 Board position

I've been involved with KYC since the summer of 1990. When I began sailing. My desire to be on the board is purely to make our club fun again. A Place to bring friends and enjoy life and if at all possible, make it drama free and a place where everyone can come to enjoy what KYC has to offer! Thank You!
