KYC MESSAGE FROM COMMODORE.

****Did you get a 50th Anniversary Firecracker Regatta t-shirt? There are no extra shirts available EXCEPT THROUGH ORDERING NOW. Attached is the shirt order form. ORDERS ARE DUE THIS WEEKEND (August 2nd-5th). If we don't have twelve (12) shirts pre-ordered, then the order will not be placed. If we have twenty-four (24) shirts or more ordered, the price will decrease. THIS IS THE LAST 50th REGATTA SHIRT ORDER that will be made. ORDER NOW.**

****Add to your calendar: Wood River Float, Sunday, August 11 @ 9am KYC parking lot.**

*Our dear friend and long-time club member Soo Breen passed away earlier this year and it was reminded that she and Chuck were avid sponsors of an annual Wood River Float. There are so many stories around the club regarding adventures on and off the water- lost one-of-a-kind sandals, going over (and under) the weir, cattle traffic jams, dog-hopping between kayaks, not quite fitting under the bridge, dragging boat bottoms over the rocks, and more. Tim Phillips has suggested we add in a Wood River Float this month in honor of Soo and Chuck. **How about Sunday, August 11? We'd meet up in the club parking lot at 9am and caravan up to the headwaters of the Wood River at Kimball Park. You are responsible for your own kayak/raft/other?, PFDs, sunscreen, water, and food.** We launch boats at Kimball Park, all vehicles are driven to the end point (another drive-in area before Kimball Park turn-off), one vehicle brings the drivers back to Kimball Park and the boating/floating begins. At the pull-out area, boats are deflated and/or loaded back onto vehicles and the visiting and eating begins. You are welcome to bring food to share BUT be prepared to have enough food for yourself. **Reach out to Tim Phillips (he thought of this great revival!) or Steve Campbell (we're going!) to RSVP, ask questions, or get more information.***
