Commissioning Weekend Report

By Sam Houston

Commissioning weekend was fun but only for a few of us. Attendance was down but I hope good fun was enjoyed by those of you who came!

Greatest thanks to Richard and Carolyn Ford for smoking the ribs and cooking the beans. Their able helpers were Jim and Carol Herring. Rick Walsh made the slaw and mac salad. Sharon Howe provided the rhubarb cobbler and I added some pies. I had intended for helpers in the kitchen but Fords and Herrings did all of the cleanup! Wow!

Elaine Zaiger decorated for us and I had told her to do a minimum so we could tear down quick and easy for the band. Wired provided good music for those that enjoyed dancing.

The silent auction was well attended with contributors really coming through! Barb Tremaine gave a model boat that Paul's father had made--wow! And wow to all who donated, thank you so much! We even had a last minute gain with Spencer Martin buying the items from Crabb's that were left over! I had hoped to keep the pressure of collecting monies from Suzi to save her a bit but I was locked out of the club on Wednesday. No idea what that was but Suzi, bless her heart, kept all items safe and took in monies at her till, thank you so much Suzi! I had also hoped to keep a total of what we would give to KYC and report to the membership, but that was interrupted with the lockout. Doesn't matter, we made a good amount! My meager calculations were over \$700! Thank you to you that contributed and bought!

Father Rogatia gave a great blessing and then folks were off to sail or motor. Mike Angeli had a great display on the lawn that the cat crew had meticulously groomed! Thanks to them and to Mike!

Thank you to all who did attend and contribute! Loves and blessings all!

Fr. Rogatian blessing the fleet on a sunny Commissioning Day.

Commodore 's Report

Well, June already! Sure have had a mixed dose of weather. Hopefully it will stay nice for a while.

Racing has been fantastic, except for the one week where we had ocean like waves and horrible winds!!!

Start June off right, with Wood Fired Pizza on Saturday June 9th, prepared by Dick Ford. Always a great feast.

Youth Sailing, for two weekends, starting June 17th and June 24th, 2022.

Then Saturday June 18th, "The Great Chase" all members invited. Sounds like lots o fun for all. Followed by a Steak Fry dinner with all the fixings. Hosted by the PHRF Fleet and friends.

Reservations will be needed for the dinner. I will put it out that week in my weekly email.

Sunday June 19th, we want to recognize Dads!! Starting with Bassackward Poker (not sure how that's played, but sounds fun!) All members welcome.

After the race, Hamburgers and fixings for \$6. Followed by an ice cream social hosted by the KYC Board of Directors.

Mark your calendars for two days of fun. Watch for Mike Bliss's fliers with more information.

A big thanks to Vince. You will see the ceiling is repaired as you walk in. The small storage room is re dry walled, and the walls repainted by Jamie, in the great room.

Another big thanks going to Mark, Becky, Suzi, Vince and Jamie, for doing a wonderful job cleaning out cupboards, disposing of stuff, and re-arranging everything, both upstairs and downstairs.

I can't thank you all enough.
Sue

For the most part, a sailboat navigates through its world of wind and water not leaving a single trace of its passage. Nothing is consumed. Nothing is altered. The winds and the water are left in exactly the same condition for the next user. Sailing is forever.

Vice Commodore's Report

Good Summer,

I am excited for the summer. We have many projects that have been completed and many more on the horizon. Thank you goes out to Vince for getting the drywall completed. A big shout out to Jamie for getting the closet painted and the outside walls touched up. It sure makes the difference. We are looking at redoing the floor by leveling it out and putting in new flooring. It will really brighten up the place.

We are still looking for help for Friday dinners moving forward. Wednesday burger flippers are needed as we don't want to burn out the cooks. Zach and crew, big high five for taking care of the last couple of weeks. Please let me know what you can help out on.

Looking for the great sunsets!
Mark
