Ugly Sweater Night

Festive sweaters came out of hiding for a fun evening in December. Brian and Carol Hansen won a bottle of wine for being the best dressed couple and John Larsen, in his naughty sweater, took home the fruitcake.

Commodore 's Report

As I reflect on the last year as commodore I am proud of the things I set out to accomplish, increasing membership, and rebuilding youth sailing. I am grateful for the help that I received from so many members of this club. Klamath Yacht Club is in great hands with our new officers and our new commodore Mike Turturicci. 2019 will be a great year!

Thank you,
Tim

Vice Commodore's Report

Greetings from the Vice

First of all a **Giant Thank You to Suzy** our bartender/wonder woman! With some help from her crew: Lauri, Laura, Ingrid and John, Carolyn and Jean, she did another New Year's Eve Party that was one of the best yet. The dinner catered by Yummy's was great as usual, and the club was decorated very festively. Suzy and her sidekick, Jean Lightfoot, made the desserts which were as good as you would get in a Five Star Restaurant.

Other folks needing thanks are Doug and Connie, Vic and Laura for their great meals on Wednesdays and Fridays; Ernie and Sandy for the Ugly Sweater Evening; and Dick Ford for helping me with Fish and Chips and making sure we have tap Beer. Thanks guys. It wouldn't happen without you.

With the start of the new year we need to get your input on what dinners you would like on Wednesdays and Fridays, plus any other functions you would like to see happen. We will be having our planning meeting on Tuesday Jan. 8th at 6:00pm at the Club. Come out and give us your input... and volunteer for a function or dinner. There are 52 weeks in the year and almost a hundred memberships, so let's spread the wealth and step up to do a function or at least help out with one or more. If you have some request for the bar as in different beers or wines, let us know; we'll see what we can do.

Also if your email has changed let me know, so we can keep you informed.

Club policy on Catered Dinners is if you make reservations you will be charged for the dinner, even if you don't come, as we are charged by the number we gave the caterer.

Cheers see ya at the Club
Vince

From The Rear's:

Not much to report. The new Rear says to go easy on him and pick up after yourselves and don't be a problem child.

Hopefully you will remember what the club looked like 4 years ago and we won't be seeing that again. It's an easy rule, if you wouldn't dump your junk at your house, then why would you start to do so at the club? If you drop something, pick it up, if you are working on the bottom of your boat, use a drop cloth. EZ peeze.

In case you missed it the first time...

The following is from the KYC Handbook.

Moorage is due annually to all members who have boats at KYC. Moorage will be invoiced to those members January 1 of each year, and shall be PAID IN FULL, no later than April 1 of that same year. Late moorage payments may result in a member's prior year's moorage being reassigned. New Members joining after January of each year, in need of moorage, shall be prorated from their new membership date, through December of that year.

\$120 moorage @ \$10 mo.

\$160 moorage @ \$13 mo

Moorage and Storage Fees per Year Schedule.

Dry Moorage \$120 yearly

Wet Moorage

North Harbor \$160 yearly

Center Harbor \$120 ""

South (cat) Harbor \$120 ""

Storage available for boat trailers left on KYC Grounds is located at a small secured lot, to the far North of the KYC property. After launching, all trailers shall be taken to the Boat Trailer Storage Area or removed from KYC. All trailers remaining on KYC Grounds shall be maintained in a serviceable condition. (Functional coupler, tongue jack and inflated tires.) Locks are discouraged, as The Rear Commodore, may from time to time, need to move a particular boat or trailer. Only trailers of moored boats at KYC shall be eligible for storage.

Boats left in the water after November 1 will be fined \$25 plus \$5 per day thereafter. (Adopted November 2008)

A maximum of \$500 may be charged for storage of unused boats. (Adopted May 2006; revised January 2009)
