Commodore 's Report

Well, our typically unpredictable Spring racing is back! We have had no wind, too much wind and great racing conditions. The May 29 race featured a new Mark (1A) and the general consensus was the fleet liked it. Thanks to the race committee for that and the great courses.

A big shout out to Sam Houston and all of the volunteers that helped make Commissioning Day and the Open House a success. I know of one membership (and boat purchase) that came from taking a group for a sail!

Last month, we had a family request a sail on the lake for a family member birthday. Thank you Danny Swanson for offering to help them out.

Remember to pick up your member booklets at the Bar-ly Afloat!

If you are interested in helping out with or sailing in the Firecracker Regatta, please reach out to Tim Phillips.

Looking forward to more racing and socializing!

Laura and Mike

Vice Commodore's Report

Greetings from the Vice

May was a busy month with racing on Wednesdays and some great functions in between.

The cupcake queen (she is shy so I won't print her name) with Suzi's help put on a great Kentucky Derby Party; Mike, Laura and crew did a fantastic Steak Fajita dinner; and the usual suspects served breakfast for Mother's Day. If that wasn't enough, Sam headed up a big crew for Commissioning Dinner (which was quite tasty) and then the Blessing of the Fleet on Sunday. Great job everybody!

June won't be much different with a couple of dinners and the Half Klam on the 15th & 16th. The Wood Fired Pizza dinner on the 8th has been rescheduled to a date yet to be determined. The Steak Fry or Club Dinner for the 22nd is still scheduled, but we don't have hosts as of this date. Here's your chance to show off your cooking skills.

Some of the racers were whining that the tables in the main room were not folded up and put away because they like to use that area to roll their sails. Bummer! We've had a number of functions back-to-back, so it seemed silly to take them up and down. If you want to fold them up and stack the chairs... be my guest.

I had a couple of other issues that I could whine about, but Mom always said, "If you can't say something nice, don't say anything."

Cheers
Vince

From The Rear:

We have a month to get ready for the Firecracker, we have the Lightning nationals and the Santana 20 Regionals this year. There is a lot of miscellaneous wood on property that can be taken to the southern fence burn pile. If anyone knows how to fix the brick pavers near the water in the BBQ area - they need to be re-leveled up.

May you never go to Hell, but always be on your way.

**Thank you,
Travis Carpenter**

From Bob Dortch...

I just got a call from Barbara Tremaine who is in the hospital following a fall, cracking or breaking her pelvis while helping her daughter doing renovating work on her cabin near Shasta Lake.

She will be returning to Klamath Falls and will be confined at Plumb Ridge for recuperation for an undetermined length of time. Please get this notice in the next Scuttlebutt, Thanks.

From Sam Houston...

May 18/19 was our Commissioning weekend. I would like all that helped prepare and put on our dinner Saturday night. First is for Micah Lambert who manned the smoker all day--even donning his foul weather gear to withstand the wind and rain! The following worked in the kitchen, served, decorated and cleaned up: Ted and Kathy Sneringen, Jake and Elaine Zaiger, Kay Keradis, West Packer, Linda Tesman, Lisa Mulvey, Phil Harbin III, and Cindy DeRosier for technical advice. Thanks to all of them!

I know we served 67 lobster tails so outside of regatta it was one of our larger attended dinners! Thank you to all that came! Thanks also to Vince for the entertainment, shopping and advice!

For those who attended Sunday, we were blessed with a break in the clouds and able to be outside! Father Urassa gave a great blessing and Commodore Mike as well as previous Commodores were introduced.
