## 2020 Annual Dinner

After lasagna dinner, Commodore Patricia Houston, Vice Commodore Vince Wachter and Rear Commodore Greg Wall share their thoughts on the status of KYC and their visions for the upcoming year. Treasurer Ingrid Larsen also gave a financial report.

## An Elegant Affair

The KYC celebrated Leap Year with a wine-pairing gourmet dinner hosted by Mark Wicks, Becky Dively and Suzi Scott.

## Commodore 's Report

Good grief! March already! Time just seems to be flying! But, the days are getting longer, warmer and the lake level is up.

February was so pleasant w/Ingrid Larsen in charge of meals! Thank you so much, they were each delicious. In charge of March is Sue Harbin. Thank you in advance! We have openings for the rest of the year so contact me or Vince for which month you would like. Remember that you can cook yourself or ask someone else to.

Huge thank you out to Vince and Richard Ford for getting the yearbook finished, published and distribution started, awesome job!

The Annual dinner and meeting was held with Jeanie Bliss, Sue Harbin, Vince Wachter, Greg Wall helping cook and additional help by Mike Bliss and Phil Harbin Jr. were added for cleanup. Thank you all!

February has one week left of Ingrid's dinners and then Marc, Becky and Suzi's dinner. I was hoping for something special for Feb. 29 and this truly will be that! I will be in Portland for a former yacht club member's funeral so all of you have an amazing time!

March has the Sock burning, St. Patrick's dinner, the Wednesday and Friday dinners. Sailing 101 will begin and new to most of you will be signing up for sailing classes. Yacht club members will be first and then open to the public, these will be the basics. There will be a fee for the class TBD. On water classes will be as weather allows on Thursday or weekends.

Thank you for keeping our club healthy and a great place for all! Ideas can be brought to any Board member or you can attend yourself--second Thursdays at 6:30.

## Vice Commodore's Report

Greetings from the Vice

February had a busy calendar with all sorts of functions to entertain and feed us. The Super Bowl Party was fun even if your team didn't win. Thanks to all that brought snacks and shared with the group. The Fondue Party was lightly attended but all that attended had some great food. Thanks Sandy and Ernie for heading it up.

(I-----) was our host for the month and put together some incredible meals for the Valentines Dinner, Fat Tuesday and helping with the Wine Paring plus many more great dinners. I'd print her name but she's shy. She made it way easier on the vice for getting volunteers. Thanks Ingrid.

Big Thanks to Suzi and Mark and Becky plus (I-----) for putting on the Wine Paring. This was a new event and was limited to just 36 guests. When we do it again we might increase the number if we have the reservations. Thanks guys for the Great New Event.

This month we will have a busy calendar as well with the First Friday Potluck hors d'oeuvres on the 6<sup>th</sup>, and on the 14<sup>th</sup> our annual Irish Bacon and Cabbage dinner. The annual Sock Burning Event has been moved to the 27<sup>th</sup> due to a conflict with more info on that coming later.

Sue Harbin will be our host for March, so if you would like to volunteer, give her a shout or call.

The new handbook is available to be picked up at the club. Please stop by and get yours so we don't have to mail them. Thanks to Barb Tremaine for letting us use another one of Paul's great artworks for the cover.

Cheers  
Vince

## From The Rear:

Greetings Klamath Daylight Savings fans,

We've got our evenings back but who knows about winter. Depending on March weather, the docks will be going in sooner rather than later. The lake is at 4151' and slowly still rising.

The duty board is up. These are suggested ways to help with volunteer hours. If you see something else that needs doing, do it. Record your own hours as you do them; you'll be glad you did.

Beginning Sailing classes will start April 2nd. These will be fun, fast-moving informative classes open for anyone. We're looking at 2 classroom and 2 on-the-water evenings, depending on weather. We'll be sailing on 20-25' boats not the Walker Bays.

All Saturday mornings for the beginning of the season, myself as well as others, will be at the club for work parties, boatyard parties, launch parties, dock parties, etc. We all at times could use an extra hand with maintenance issues. Come on down, everyone.

Every boat has some seasons which are more active than others. Let's make this one an active one.

See you at the club,  
Greg Wall
